Absolutely, the most positive dental experience I've ever had. Staff were all very professional and compassionate. Office is modern and clean. Dentist designs a clear plan with only positive comments. I'm very thankful and felt a great weight of anxiety lifted off my shoulders when the Doctor said, "I treat people the way I want to be treated". What a great idea! Thank you, I did not leave this office with a big fear and dread cloud hanging over me.

Everyone here is super nice and friendly! Ms. Debbie did such a wonderful job comforting and guiding my 3.5 year old in checking out and cleaning all his teeth. Dr. Kondoff was amazing too! I felt like she actually cared about my son and took her time explaining things for us. Highly recommend!

Dr Williams and his staff are amazing. I had a dental emergency and they quickly scheduled me an appointment and took care of me that same day. My previous dentist had retired and I was so hesitant to try someone new, it took an emergency but I'm so pleased I found them!!

I had a great experience with owner, he saved lots of time for me, he bought my old scrap car and towed it away, no charge, I will recommend them to anyone.

The beat service in the area, the best attention and quality, I highly recommend it. All I can say, they are the best junk car buyer in Miami.

I served as a military preventive dentistry specialist and worked with many different dentists in all specialties. Dr Williams and Dr Kondoff are superb dentists. Their staff are awesome! This practice is extremely professional and competent. I can get free dental care at the VA but choose Cedar Park Premier Dentistry because I know I'm getting the best care from caring and competent people!

I always have a positive experience at Cedar Park Premier Dentistry! The staff are friendly and welcoming, the quality of care is excellent, and the variety of services are broad. It is honestly a pleasure to go there. How many people can say that about their dentist?

The cleaning and teeth whitening was amazing! The staff walked me through the process and did an excellent job. The results were unbelievable, so much that I am sending my wife to get the same services! Thank you to Cedar Park Premier and their staff! You guys knocked it out of the park!

Polite, and compassionate staff right from the front desk to Dr. Kondoff! Dr. Kondoff is the absolute best- explains everything in detail and always patiently answers all my (numerous) questions. She is like a motherly figure offering comfort all the way through the treatment. The entire staff is very respectful and professional! Love  Cedar Park Premier Dentistry, would give them 10 stars if I could! Highly recommend them.

Great selection of parts. One of the cleanest junk car yards around. Alot of good tires and a misc parts or tool section on the inside. They rotate their inventory alot. Great service!
